

# GLUTEN-LESS

---

## LUNCH & DINNER MENU

What is Gluten-less? Being that Oregon Dairy does not have a "certified" gluten free kitchen, we cannot legally use the term "Gluten Free". However, we do everything within our control to avoid cross-contamination when ordering from this menu - using separate utensils, cooking spaces, and proper hand-washing procedures and glove use. Products may have been produced on shared equipment with tree nuts, peanuts, milk, eggs, soy bean, wheat, barley, and rye.

Oregon Dairy takes both dietary restrictions and food allergies seriously, so please inform your server when placing your order. If you have any questions, please ask to speak with one of our managers.
